Haven Updates

Spring is in the air! The Haven looks forward to returning to some normalcy this spring/summer. As with everyone, 2020/2021 has been very different for The Haven. As we continued all of our services to those in need throughout this pandemic, our in person services and office hours were very limited. We have always looked forward to seeing our donors and interacting with clients. We have missed your faces!

The Haven is now happy to announce that starting Tuesday, June 1st, our office will now be open 5 days a week for walk-ins, donations, volunteers, etc... We hope you come by and see us!

Outreach Connections

Throughout the pandemic, the Haven Outreach team provided meals to the homeless and those in need on Saturdays. The team began to see many families in need within the community come by to get a plate or a bag. One family sent in pictures and shared their gratefulness for the meals. They shared how they would take them home to their dinner tables or to the park for a picnic!
