Thanksgiving for the Homeless

We know this has been a tough year for everyone, including ourselves. Our annual Pumpkin Path event at Hatcher Garden was canceled due to COVID-19. This event generally draws over 3,000 people who donate food and cleaning items. These items are crucial to our programs and last several months.

Since COVID-19 began, we have been seeing more families and individuals in need of supplies, food, and services. Many of whom have never needed assistance before. We are trying to assist as many as we can.

For the month of November, we would like to collect items to provide a wonderful Thanksgiving to those in need. We will be collecting items for our Thanksgiving meal for the homeless on the streets and items to give to families to make their own meal in our shelter and prevention programs. In addition, we will also be collecting warm clothing items for our families and individuals. Please see below for our needs list.

As always, a financial donation is always accepted. Beneath our needs list is a donation button. By donating through this button, the financial donation will be marked "Thanksgiving for the Homeless" and go directly towards the purchase of supplies. You can also donate to "Thanksgiving for the Homeless" through our item #147 in this years Auction for a Cause.

Thank you for your continued support of The Haven. Any donations will be greatly appreciated. Stay safe & warm!
