FALL-ING INTO THE HOLIDAY SEASON

Cooler weather is on the way! The holiday season is also upon us. It's the time for warmth, love, friends, family, and togetherness. Families are decorating their homes, baking cookies, preparing meals, and spending time with family & friends. Children are gearing up to trick-or-treat, lots of goodies, a visit from Santa, and time with their families. This can be a wonderful time for many. However, that is not always the case for everyone.

Poverty & homelessness can make this a daunting time for those affected by it. Many do not have homes of their own to decorate, families & friends to spend time with, food to eat, a way to keep warm, or assurance that Santa will make a visit.

The Haven works all year to provide individuals & families experiencing homelessness and poverty the things they need to succeed. However, the holiday season can be extra difficult for those in need. So, The Haven works tirelessly in the holiday season to ensure that individuals & families in need have an extra special holiday season. But, we cannot not do this without the help of the community. Please consider attending and/or supporting our upcoming events. All of our events will benefit those in need and ensure a wonderful holiday season!
