***The January Newsletter***

## ***New Year, New Hope***

Twenty-nineteen was a year of growth, partnerships, and service to our community for The Haven.

Over the year, The Haven assisted over 50 families and 100 single adults in need through our shelter, outreach, & homelessness prevention programs.

This could not of been possible without the support from our local churches, community partners, schools, countless volunteers, and individual community members.

Thank you for all your support and for a wonderful 2019!  
Let's keep it going!

A new year, new hope for those in need in our community.  
Welcome 2020!
